

Application Method for Self-Allocated Secondary School Places

Dear Parents,

For the current self-allocated secondary school places, parents can register as users on the "Smart Convenience+" platform to submit their applications electronically through the "Secondary One Place Allocation Electronic Platform." Parents may also continue to use the traditional paper application form for submitting their self-allocated places. We would like to inquire which method the P.6 parents will use to submit their applications for self-allocated places so that the school can follow up accordingly.

For inquiries, please contact Vice Principal Mr. Liu at 2381 9504 or Ms. Cheng.

Principal: Cheung Lai Wan
